(d) the steps proposed to be taken to countenance this situation particularly in slums keeping in view the economic, social and environmental considerations?

THE MINISTER OF ENVIRONMENT AND FORESTS (PROF. SAIFUDDIN SOZ) : (a) and (b) Yes, Sir. The news-item captioned "Slow Poisoning at the Hearth" appearing in "The Hindustan Times" dated March 28, 1997 has dealt with indoor air pollution due to cooking using low grade fuel which is affecting the health of people particularly women of the weaker sections of the society. The findings are based on the study made by the Tata Energy Research Institute (TERI)

(c) The nature and magnitude of indoor air pollution depends upon the nature and quality of fuel used, design of Chulahs, ventilation system, etc. the study done by the TERI is of limited nature relying on a sample size. Since no definite conclusions have been drawn from the study, TERI has advocated detailed scientific study of the fuel supply and demand situation in slum areas.

(d) The steps taken to make general awareness about indoor air pollution include the following :

1. The Government is implementing two Central sector schemes, namely, National Programme of Improved Chulha and National Project on Biogas Development which caters to family-size biogas plants. The Government is also providing subsidy and other incentives for promotion of these devices in the rural and slum areas with the objective to reduce air pollution.

2. General environmental awareness campaigns have been launched.
